

Independent Auditor's Report
To the members of Poena Power Development Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **Poena Power Development Limited** ('the Company'), which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2019, and its Loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

4. The Company's Board of Directors is responsible for the preparation of the other information. Other Information does not include the financial statements and our auditor's report thereon.
5. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
7. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management's for the Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), Profit or Loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
12. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

FIRM REGISTRATION NO. 000643N/N500012

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

15. The Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable.
16. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the **Annexure A** a statement on the matters specified in paragraphs 3 and 4 of the Order.
17. As required by section 143(3) of the Act, we report that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of section 164(2) of the Act;
 - f) we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31 March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report 20 May 2019 as per **Annexure B** expressed unmodified opinion

Annexure-B to the Independent Auditor's Report of even date to the members of Poena Power Development Limited, on the financial statements for the year ended March 31, 2019

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the financial statements of **Poena Power Development Limited** ("the Company") as of and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Poena Power Development Limited
Notes to the financial statements for the year ended 31 March 2019

Corporate Information

Nature of Operations

Poena Power Development Limited ("the Company") was incorporated on July 04, 2008 as a wholly owned subsidiary of Indiabulls Power Services Limited ("IPSL"). As a result of the Scheme of Amalgamation of Indiabulls Power Services Limited ("IPSL") with RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) ("RPL") with effect from April 1, 2008 as approved by the Hon'ble High Court of Delhi, RPL became the holding company of the Company.

Pursuant to and in terms of the Court approved Scheme of Arrangement under Section 391 to 394 of the Companies Act, 1956, by and among Indiabulls Real Estate Limited, Indiabulls Infrastructure and Power Limited, Indiabulls Builders Limited, RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) (the Holding Company), Poena Power Supply Limited and their respective shareholders and creditors (Scheme), which had been approved by the Hon'ble High Court of Delhi vide its order dated October 17, 2011 and came into effect on November 25, 2011, with effect from the April 1, 2011 i.e. the Appointed Date, the Power business undertaking of Indiabulls Real Estate Limited ("IBREL") which included the IBREL investment in the Company, stood demerged from IBREL and transferred to and vested in favour of RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) ("RIL") which had the effect of making RIL the Ultimate Holding company of the Company.

In terms of the Court approved Scheme of Arrangement which came into effect on June 2, 2012 (Effective Date), Indiabulls Infrastructure Development Limited ("IIDL") was merged with RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) (the Holding Company) as a going concern with effect from April 1, 2012, the Appointed Date under the Scheme, upon which the entire undertaking and the entire assets and liabilities of IIDL stand transferred to and vested in RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) at their book values. Pursuant to the Scheme as aforesaid, an aggregate of 415,407,007 Equity Shares of face value Rs. 10 each in RPL were issued and allotted in favour of the IIDL shareholders as on the Effective Date, thereby increasing the paid up capital of RPL to Rs. 26,427,299,530 divided into 2,642,729,953 Equity Shares of face value Rs. 10 each. Consequent to issuance and allotment of equity shares to IIDL, RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) ("RIL") ceases to be ultimate holding company of the Company w.e.f June 20, 2012.

During the year pursuant to the announcements on restructuring of the promoters' inter-se roles, there have been declassifications in respect of certain Promoters / Promoter Group Entities / Persons Acting in Concert with Promoters (PACs) of the Company, as was intimated by the Company to NSE and BSE (the Stock Exchanges) on July 18, 2014 and October 28, 2014 respectively.

The main objects of the Company include inter-alia, carrying on the business of power generation, distribution, trading and transmission directly of all forms of power and ancillary and incidental activities.

The company is in process of setting up a power project of 1320 MW capacity in Mansa (Punjab).

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules 2015 and relevant amendment rules issued thereafter. The Company has uniformly applied the accounting policies during the periods presented.

The financial statements for the year ended 31 March 2019 were authorized and approved for issue by the Board of Directors on 20 May 2019.

2. Recent accounting pronouncements

Standards issued but not yet effective

IND AS 116 – Leases

On March 30 2019, the Ministry of Corporate Affairs (MCA) notified Ind AS 116, "Leases" as part of the Companies (Indian Accounting Standards (Ind AS)) Amendment Rules, 2019. Ind AS 116 replaces existing standard on leases i.e. Ind AS 17, with effect from accounting periods starting on or after April 1, 2019. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize a right-of-use asset over the underlying leased asset and a lease liability representing its obligation to make lease payments for all leases with a term of more than 12 months, unless the underlying asset is of low value.

Poena Power Development Limited
Notes to the financial statements for the year ended 31 March 2019

Other Amendments on the existing standard not yet effective:

A number of other accounting standards have been modified on miscellaneous issues with effect from April 1, 2019. Such changes include clarification/guidance on:

- a) Income tax consequences in case of dividends (Ind AS 12 – Income Taxes (amendments relating to Income tax consequences of dividend));
- b) Accounting for Income tax when there is uncertainty over income tax treatment of an item by tax authorities (Ind AS 12 - Income Taxes (amendments relating to uncertainty over Income tax treatments));
- c) Accounting treatment for specific borrowings post capitalization of corresponding qualifying asset (Ind AS 23 – Borrowing Costs);
- d) Accounting for plan amendment, curtailment or settlement occurring in-between the reporting periods in case of long term employee benefit plans (Ind AS 19 – Plan Amendments, Curtailment of Settlement).

The above amendments will come into force from April 1, 2019. Basis the preliminary evaluation, the company does not expect the effect of this on the financial statements to be material.

3. Summary of significant accounting policies

a) Overall consideration

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

Basis of preparation

The financial statements have been prepared on going concern basis under the historical cost basis, unless and otherwise indicated.

b) Revenue recognition

Revenue is recognised when it is probable that the economic benefits will flow to the Company and it can be reliably measured. Revenue is measured at the fair value of the consideration received/receivable net of rebates and taxes. The Company applies the revenue recognition criteria to each separately identifiable component of the sales transaction as set out below.

Service income

Revenue from Consultancy/ Advisory Services is recognised when services are rendered.

Interest Income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend income

Dividend income is recognised at the time when right to receive the payment is established, which is generally when the shareholders approve the dividend.

Profit/ loss on sale of investments

Profit/ loss on sale of investments is recognised on the date of the transaction of sale and is computed with reference to the original cost of the investment sold.

c) Property, plant and equipment

Recognition and initial measurement

Properties plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Poena Power Development Limited
Notes to the financial statements for the year ended 31 March 2019

Subsequent measurement (depreciation and useful lives)

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013:

The residual values, useful lives and method of depreciation of are reviewed at each financial year end and adjusted prospectively, if appropriate.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April 2015 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

d) Financial instruments

Financial assets

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs

Subsequent measurement

Financial instruments at amortised cost – the financial instrument is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. All other debt instruments are measured at Fair Value through other comprehensive income or Fair value through profit and loss based on Company's business model. All mutual funds in scope of Ind-AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. These liabilities are classified as amortised cost.

Subsequent measurement

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. These liabilities include are borrowings and deposits.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Poena Power Development Limited
Notes to the financial statements for the year ended 31 March 2019

e) Income taxes

Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in OCI or directly in equity.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act and in the overseas branches/companies as per the respective tax laws. Current income tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in OCI or in equity).

Deferred income taxes are calculated using the liability method. Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in OCI or in equity).

f) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, demand deposits with banks/corporations and short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

g) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised. However, when inflow of economic benefit is probable, related asset is disclosed.

h) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

i) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures.

Significant management judgements

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

Poena Power Development Limited
Notes to the financial statements for the year ended 31 March 2019

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions. However the actual future outcome may be different from this judgement.

Significant estimates

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be different.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Useful lives of depreciable/amortisable assets

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software, customer relationships, IT equipment and other plant and equipment.

18. Employees Stock Options Schemes:

Stock Option Schemes of RattanIndia Power Limited ("RPL") (Formerly known as Indiabulls Power Limited.):

The Company's holding company, RattanIndia Power Limited ("RPL") has formulated ESOS/ ESOP schemes for applicable/ eligible employees. The schemes so formulated are also applicable to the eligible employees of its subsidiaries. The Company has adopted the said schemes of RPL which are administered by a Compensation Committee constituted by the Board of Directors of RPL. RPL does not seek reimbursement of expenses from the Company for ESOP granted to employees of the Company.

Stock Option Schemes of RattanIndia Power Limited ("RPL"):

On January 10, 2008 the erstwhile Indiabulls Power Services Limited ("IPSL"), had established the IPSL ESOS Plan, under which, IPSL was authorised to issue upto 20,000,000 equity settled options at an exercise price of Rs. 10 per option to eligible employees. Employees covered by the plan were granted an option to purchase equity shares of IPSL subject to the requirements of vesting. A Compensation Committee constituted by the Board of Directors of IPSL administered the plan. All these options were outstanding as at April 01, 2008.

Pursuant to a Scheme of Amalgamation under Sections 391 to 394 of the Companies Act, 1956, duly approved by the Hon'ble High Court of Delhi at New Delhi vide its order dated September 1, 2008, and during the year ended March 31, 2015, pursuant to the name change of the ultimate holding company to RattanIndia Power Limited, the name of the plan was changed to RattanIndia Power Limited Employees' Stock Option Plan 2008 ("RPL ESOP 2008"). These options vest uniformly over a period of 10 years commencing one year after the date of grant.

During the financial year ended March 31, 2010, the Company had established the "Indiabulls Power Limited Employees' Stock Option Scheme 2009" ("IPL ESOS 2009") under which, IPSL was authorised to issue equity settled options at an exercise price of Rs. 14 per option to eligible employees.. During the year ended March 31, 2015, the name of the ESOS scheme IPL ESOS 2009 was changed to RattanIndia Power Limited Employees' Stock Option Scheme 2009 ("RPL ESOS 2009"). These options vest uniformly over a period of 10 years commencing one year after the date of grant.

During the Financial Year ended March 31, 2012, the Company has established the "Indiabulls Power Limited Employee Stock Option Scheme -2011" ("IPL ESOS -2011") under which, IPSL was authorised to issue equity settled options at an exercise price of Rs. 12 per option to eligible employees. During the year ended March 31, 2015, the name of the ESOS scheme IPL ESOS 2011 was changed to RattanIndia Power Limited Employees' Stock Option Scheme 2011 ("RPL ESOS 2011"). These options vest uniformly over a period of 10 years commencing one year after the date of grant.

The Company does not have employees, therefore no shares have been granted to employees of the Company under any of the above mentioned schemes.

19. Defined benefits:

Provision for unfunded Gratuity payable to eligible employees on retirement/ separation is based upon an actuarial valuation.. Major drivers in actuarial assumptions, typically, are years of service and employee compensation. The commitments are actuarially determined using the 'Projected Unit Credit Method' as at the year end. Gains/ losses on changes in actuarial assumptions are accounted for in the other comprehensive income/ Capital work-in-progress, as applicable and as identified by the Management of the Company.

Other long term benefits:

Provision for unfunded compensated absences payable to eligible employees on availment/ retirement/ separation is based upon an actuarial valuation. Major drivers in actuarial assumptions, typically, are years of service and employee compensation. The commitments are actuarially determined using the 'Projected Unit Credit Method' as at the year end. Gains/ losses on changes in actuarial assumptions are accounted for in the Statement of Profit and Loss/ Capital work-in-progress, as applicable and as identified by the Management of the Company.

Based on the actuarial valuation obtained in this respect, the following table sets out the status of Gratuity and Compensated Absences and the amounts recognised in the financial statements.

The company doesn't have any employees, therefore no actuarial valuation has been done for year ended 31 March 2019, and no provision has been taken in the financial statements for the aforesaid benefits.

The Company is exposed to various risks in relation to financial instruments. The main types of risks are credit risk and liquidity risk. The most significant financial risks to which the Company is exposed are described below:

A. Credit risk

Credit risk is the risk that a counter party fails to discharge an obligation to the Company. Credit risk arises from cash and cash equivalents. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at 31 March, as summarised below:

(₹ '000)

Particulars	31 March 2019	31 March 2018
Cash and cash equivalents	682.80	1228.83

The credit risk for cash and cash equivalents is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

B. Liquidity Risk

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.
